Hi Emily,

Those childcare expenses were in January and under the old contract, which did not place the requirement of going through DSS first before paying childcare expenses. Our subcontractors are aware that as of Feb 1 moving forward they must apply for DSS assistance.

Subject: Child Care

Hi Carrie,

I was reviewing your invoice for January and saw [REDACTED] childcare costs. Can you provide some background info on this? Had she applied for assistance through DSS?

Thanks,

Emily Kraft
